Mr. Steven Marson

Central Maine Pyrotechnics

P.O. Box 322Hallowell, ME 04347

Dear Steve,

Enclosed is a check for the balance due of \$1,750 on the fireworks show you did for my daughter Merrill's pre-wedding party on Saturday. You have certainly earned it!

We can't thank you enough for the really superb show that you put on and for your excellent level of service. Your and Carole's helpfulness and flexibility in the face of the many changes in the site and your willingness to accommodate us in every way could not have been any better. Your fantastic collaboration in keeping the show a secret was incomparable, and Merrill and Jonathan, as well as everyone else were totally surprised, not to say awed.

All of the guests were overwhelmed by the quality of the show itself. It was the perfect length and I have rarely seen any higher quality fireworks display – this from someone who has witnessed a number of shows by the renowned Grucci Brothers.

I am sure that the impression made by the show will give you a lead on further business, and I will do my best to spread the good word about Central Maine Pyrotechnics and the excellence of your organization. Don't forget to send me a few of your cards that I can pass on to anyone who seems a likely prospect. We would be very pleased to be a reference for anyone who requests one. The best way to reach me is at my office number, which is on the letterhead. If I am not there, Maria Becce will know where to find me, and having been here this weekend would give her own enthusiastic reference.

Thank you again for a great show and all your help, and best regards,
